Dear Mr. Miller:

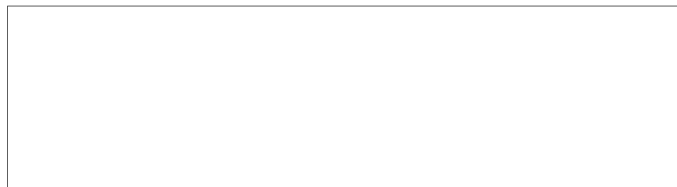

The Central Intelligence Agency is hosting a Cornerstone Laying Ceremony for its new facility on Thursday, 31 October 1985, at 1030 hours at CIA Headquarters, McLean, Virginia. Vice President George Bush will preside.

A Military Ceremonial Band is requested for a 30 minute pre-ceremony concert, and for a brief post-ceremony interval. A color guard and military chaplain are also requested.

Current thinking leans toward excluding the media. We respectfully request your discretion regarding this event as it has not yet been publicly announced by the White House.

Security considerations and access procedures for the Agency compound require early preparations. I would like to schedule a planning meeting with your representative before 2 October 1985. For information concerning this event contact me at

Your help is greatly appreciated.
